Call to Order:

1. Meeting called to order at 9:03 a.m.
2. Overview of PRESS and Board Policy
 - a. PRESS is a service provided through IASB that organizes Board Policies and policy revisions.
 - b. PRESS has four “issues” that come out quarterly with updates. These also include administrative procedure updates and exhibits (which are used by administrators).
 - c. PRESS plus is an additional service that updates the changes for you automatically and we currently do not have it.
3. Discussion on 6:60
 - a. Recommend for a 1st reading. The footnote in question is part of a newer mandate and our curriculum probably has this in place. This is different from the training issue that was raised last year.
 - b. Keep high school language in case we have current or future classes with high school curriculum and credit.
4. Discussion on PRESS Issue 12
 - a. All language and updates were approved by committee and recommended for a first reading.
 - b. Joel is going to check with Tony about what needs to be put forward (if it’s a reference change, do we need to change it?)
5. PRESS plus recommendation
 - a. We all decided we want to pursue this as a recommended purchase. Ben gave a rough estimate from the last school year and said he would reach out to double check numbers from IASB.
6. Joel and Ben said that they would reach out to Tony for next steps.
7. Adjourned at 9:55 a.m.
