Public Comments

This is the point of the meeting where we welcome public comments. Each speaker is given three minutes to address the Board. Comments may be made on almost any matter related to the operation of schools, but we ask that you refrain from making comments concerning individual students or staff members. The Board uses this time to listen to community questions and concerns but will not respond immediately to requests for information. Additionally, the Board cannot take formal action on non-agenda items. Contact the Board president by email if you wish to discuss your topic further. Please come forward to the microphone and state your name and, if comfortable, your address for the minutes.
