Subject: Financial Update for the Period Ending February 29, 2020

---

Attached for your review are the following reports as of February 29, 2020:

- Fund Balance Report
- Revenue Summary Report
- Expenditure Summary Report

Fund balance in the Operating Funds increased by \$3 million in February to \$40.7 million. The graph below shows a comparison of monthly fund balances over the last two years. The spikes in fund balance during February/March and July/August represent the District's property tax collections, which make up approximately 85% of the District's total annual revenues. It's very important for school districts to maintain fund balance reserves that are sufficient to cover operations in between those months, particularly during the fall/winter when revenues are typically scarce.

The most recent 12-month period followed a similar trend as the preceding year. Some notable exceptions are:

- May and June – The two fund balance lines decreased at varying angles because the District's biweekly payroll schedule produced a different number of payrolls each

month. Looking at the two months combined, fund balance in 2019 (blue line) decreased by \$1.2 million more than in 2018 (red line). This is due to the District transferring \$786,000 out of the Operating Funds in May 2018 to make its first yearly payment on the debt certificates. There was also a \$400,000 decline in registration fee revenue in 2018 because the District offered parents the option to defer payment on student fees until September for the first time this year.

- December-Fund balance in December decreased at a faster rate due to two board resolutions adopted at the December 16 Board of Education meeting. Resolution #1241 and #1242 directed the transfer of a total \$6 million to the Capital Projects Fund. Both Board resolutions were to help financially prepare the District with enough available funds for the upcoming Capital Projects.
- February-Fund balance typically increases starting in February due to the first installment of property tax revenue collections.

From a macro-level perspective, the District continues to have a strong financial position after two thirds (⅔) of the fiscal year. Fund balance is expected to start rising over the next month of operations with the receipt of the spring property taxes. Throughout this long-term planning and forecasting the District continues to maintain the goal of operating within its means.

### **Revenue Summary - February**

Total revenue for the District was 60% of budgeted revenues as of February 29. This is in line with last year's pace. February marked the first month of 2019 real estate tax collections for the District. These collections made up \$8.6 million of the District's \$9.6 million revenues in February.

State and federal revenue was minimal in February resulting in the District receiving just over \$318,000. Payments included the standard two installments of Evidence Based Funding (\$306,000). As well as the District received funds for IDEA room and board and milk program revenues.

### **Expenditure Summary - February**

After completing eight months of the fiscal year, the District has expended 59% of its overall budget which is slightly behind last year's pace (62%) but still in line with the amount of time elapsed for the fiscal year.

Table 1 below shows the year-to-date percentage of the payroll budget (salaries and benefits) that has been spent after each month as compared to last year. Total payroll expenditures are trending as projected in the budget with no major anomalies.

Table 1: Payroll Expenditures

	<b>YTD Percent of Budget Spent</b>	
<b>Month</b>	<b>2019-20</b>	<b>2018-19</b>
February	57%	56%
November	33%	33%
October	25%	21%
July	0%	1%

Table 2 displays the cumulative percentage of the accounts payable budget (purchased services, supplies, equipment, etc.) that has been spent after each month versus last year.

Table 2: Accounts Payable Expenditures

	<b>YTD Percent of Budget Spent</b>	
<b>Month</b>	<b>2019-20</b>	<b>2018-19</b>
February	65%	76%
November	48%	61%
October	41%	49%
July	12%	15%

Accounts payable spending is running behind last year's budget pace. The Capital Projects fund has a \$1.7 million larger budget this year compared to last year (FY19). The District has spent \$7 million as of February, which is \$700,000 less than at this point last year.
