Board of Education
Dr. Eric Olson, Superintendent
From: Valerie Varhalla, Director of Business Services
Date: June 22, 2020
Subject: $\quad$ Financial Update for the Period Ending May 31, 2020

Attached for your review are the following reports as of May 31, 2020:

- Fund Balance Report
- Revenue Summary Report
- Expenditure Summary Report

Fund balance in the Operating Funds decreased by $\$ 3.8$ million in May to $\$ 51$ million. The graph below shows a comparison of monthly fund balances over the last two years. The spikes in fund balance during July/August and February/March represent the District's property tax collections, which make up approximately $85 \%$ of the District's total annual revenues. It's very important for school districts to maintain fund balance reserves that are sufficient to cover operations in between those months, particularly during the fall/winter when revenues are typically scarce.

The most recent 12-month period followed a similar trend as the preceding year. Some notable exceptions are:

- May and June - The two fund balance lines decreased at varying angles because the District's biweekly payroll schedule produced a different number of payrolls each month. Looking at the two months combined, fund balance in 2019 (blue line) decreased by $\$ 1.2$ million more than in 2018 (red line). This is due to the District transferring \$786,000 out of the Operating Funds in May 2018 to make its first yearly payment on the debt certificates.
- December-Fund balance in December decreased at a faster rate due to two board resolutions adopted at the December 16 Board of Education meeting. Resolution \#1241 and \#1242 directed the transfer of a total $\$ 6$ million to the Capital Projects Fund. Both Board resolutions were to help financially prepare the District with enough available funds for the upcoming Capital Projects.
- February-Fund balance typically increases starting in February due to the first installment of property tax revenue collections.

From a macro-level perspective, the District continues to have a strong financial position as we near the last month of the fiscal year. Throughout this long-term planning and forecasting the District continues to maintain the goal of operating within its means.

## Revenue Summary - May

Total revenue for the District was $98 \%$ of budgeted revenues as of May 31. This is in line with last year's pace.

The District received $\$ 289,000$ in property tax revenues this month and $\$ 168,000$ in Corporate Personal Property Replacement Tax (CPPRT).

State and federal revenue was insignificant. The District received the standard two installments of Evidence Based Funding from the State $(\$ 306,000)$. The District also received $\$ 53,000$ of federal reimbursements in May for previously incurred grant expenditures. This month the district received $\$ 305,000$ in transportation revenue.

## Expenditure Summary - May

After completing ten months of the fiscal year, the District has expended $83 \%$ of its overall budget which is slightly behind last year's pace (87\%).

Table 1 below shows the year-to-date percentage of the payroll budget (salaries and benefits) that has been spent after each month as compared to last year. Total payroll expenditures are trending as projected in the budget.

Table 1: Payroll Expenditures

|  | YTD Percent of Budget Spent |  |
| :--- | :---: | :---: |
| Month | $\mathbf{2 0 1 9 - 2 0}$ | $\mathbf{2 0 1 8 - 1 9}$ |
| May | $84 \%$ | $83 \%$ |
| February | $57 \%$ | $56 \%$ |
| November | $33 \%$ | $33 \%$ |
| August | $7 \%$ | $6 \%$ |

Table 2 displays the cumulative percentage of the accounts payable budget (purchased services, supplies, equipment, etc.) that has been spent after each month versus last year.

Table 2: Accounts Payable Expenditures

|  | YTD Percent of Budget Spent |  |
| :--- | :---: | :---: |
| Month | $\mathbf{2 0 1 9 - 2 0}$ | $\mathbf{2 0 1 8 - 1 9}$ |
| May | $81 \%$ | $94 \%$ |
| February | $65 \%$ | $76 \%$ |
| November | $48 \%$ | $61 \%$ |
| August | $24 \%$ | $26 \%$ |

Accounts payable spending is running behind last year's budget pace. Since the worldwide pandemic, the District has been conservative in its spending as the need for substitutes, supplies/equipment, etc has been significantly decreased.

If you have any questions about the Financial Report, please contact Dr. Olson or myself.
