WHEREAS, the Board of Education and the Support Staff Council of District 64 agree that this Agreement must be predicated upon the educational welfare of the students of the District; and

WHEREAS, the Board and Support Staff Council have voluntarily endorsed the practices and procedures of collective bargaining as a fair and orderly way of conducting relations between the Board and the support staff insofar as such practices and procedures are not inconsistent with the statutory obligations of the Board to retain the right effectively to operate the District's schools and are consonant with the paramount interest of the public and the students of the District;

NOW, THEREFORE, the parties agree with each other as follows:

BOARD RIGHTS

The Board, on behalf of the electors of the District, and consistent with applicable law, retains and reserves the ultimate right and responsibility for the proper management of the District in all of its various aspects, including, but not limited to, the responsibility for and the right to make and implement decisions with respect to the following:

(1) To maintain management, organization, and administrative control of the District, its functions, its properties and facilities, its overall budget, and the professional activities of its employees;

(2) To determine the organizational structure of and selection of new employees; to direct, supervise, evaluate, promote, assign, and transfer employees; to determine staffing patterns; to determine the number and kinds of personnel required in order to maintain the efficiency of District operations; and to determine employee qualifications and the conditions for their continued employment, discipline, dismissal, or demotion.

(3) To establish educational policies, goals and objectives; to ensure rights and educational opportunities of students; and to determine the standards of educational services and the methods and means of providing those services, including scheduling of classes and establishing, modifying, or eliminating courses of instruction, specific programs, athletic, recreational and social events, as deemed necessary or advisable by the Board; and

(4) To establish rules and regulations and to revise, modify, or delete rules and regulations from time to time. The exercise of the foregoing rights and responsibilities shall be limited only by the Board's legal duties and obligations as an "educational employer" subject to the *Illinois Educational Labor Relations Act*, other applicable laws, and the specific and express terms of this Agreement and then to the extent such specific and express terms are not in violation of the Constitution and laws of the State of Illinois and the Constitution and laws of the United States.

Nothing contained in this Agreement shall deny or restrict the Board of its rights, responsibilities, and authority under the Illinois *School Code* or any other national, state, county, district, or local laws or regulations as they pertain to education.

No action, statement, agreement, settlement, or representation made by any member of the bargaining unit shall impose any monetary obligation or be considered to be authorized by or binding upon the Board unless and until the Board has agreed thereto in writing.

ARTICLE IV

EMPLOYEE AND UNION RIGHTS

A. Non-Discrimination and Duty of Fair Representation: The Union shall fulfill its duty of fair representation to all employees covered by this Agreement. The Union shall indemnify and hold the Board harmless from any and all liability that might arise if the Union fails to fulfill its duty of fair representation. The Board shall not discriminate against any employee covered by this Agreement with respect to hours, wages, terms or conditions of employment by reason of an employee's membership or non-membership in the Union or participation or non-participation in negotiations between the parties.

B. Pertinent Information to Negotiations: The Board shall furnish to the Union upon written request the most recent (1) annual financial report as reported on ISBE Form #50-35; (2) final annual budget as reported on ISBE Form #50-36; (3) tentative approved budget; (4) local audit and adopted budget; (5) information concerning each employee's position on the current salary schedule; (6) pupil enrollment data; (7) insurance and annuity program information; and/or (8) agency tax rate report. The Union shall be provided with access to public information and records and have the right to make copies of public information and records of which no extra copies are available. Nothing herein shall require the Board to compile any information or data which has not already been compiled. Publication of information requested by the Association on the District's website shall be deemed to satisfy the Board's obligations under this provision.

C. Employee Protection: Any case of assault upon an employee shall be promptly reported to the Board or its designee. The Board agrees to protect and indemnify employees employed by the District and covered by this Agreement from suit to the extent provided by Section 10-20.20 of the School Code of Illinois.

D. Board Agenda: The Union may request to be placed on the agenda of a regular Board meeting in accordance with the Board's policies and procedures concerning same.

E. Board Meetings: The Board shall notify electronically the Union of all regular meetings, special meetings, and committee meetings. The Board shall advise the Union of any cancellations or postponements of those meetings. The Union shall provide the Board with the name of the individual to whom such notification is to be given. Publication of Board meeting information on the District's website shall be deemed to satisfy the Board's obligations under this provision.

F. Board Minutes: The Union President shall be provided electronically with one (1) copy of the minutes of the Board after said minutes have been officially approved by the Board. Publication of Board meeting information on the District's website shall be deemed to satisfy the Board's obligations under this provision.

G. Use of District Facilities and Equipment: Subject to scheduling and availability and with prior notification of the building principal or the Superintendent, the Union may meet within District facilities outside of administrative assistant/clerical work hours. The Union's use of District facilities must be without disruption to the school's operation. The Union may also have reasonable use of District equipment on District property (e.g., photocopy machines, projectors, screens, etc.). Such uses of District facilities and equipment shall not interfere with the conduct of school business nor in any case take precedence over school needs, and any materials used, substitute cost, overtime pay, or other

costs incurred shall be reimbursed by the Union. If a member needs to attend the meeting during his/her workday, the employee must provide his/her supervisor at least 3 work days prior notice and the supervisor may direct the employee to make up any missed time that same day. Time at such meetings shall not be paid.

H. Interschool Mail Services: The Union President, members of the Union Executive Board, and the Union Negotiation Team members shall be permitted reasonable use of the interschool mail, e-mail, wireless networks, District computers, and voice mail systems for the conduct of legitimate Union business in accordance with the District's policy and guidelines on acceptable use of school computers and technology equipment. The Union's business communications cannot interfere with the normal operation of the schools and cannot occur during employee work hours, except for duty-free lunch. Employees, however, may read Union business communications, and Union officers may communicate with District administration during work hours. Union officers may also conduct Union business/communication with members during work hours when such business/communication is in response to administrative action.

I. Bulletin Boards: The Union shall be provided reasonable bulletin board space on one bulletin board per school for the posting of official Union notices and materials. The privileges granted by this section shall not apply to notices or materials of a partisan or political nature.

J. New Employees: The District shall provide the names and addresses of new employees covered by this Agreement within ten (10) calendar days after their date of hire. All newly hired employees shall be given a copy of their job description.

K. Copies of Agreement: The Agreement shall be applicable for the initial CBA; thereafter, the Agreement shall only be posted on the District website and any hard copies of the Agreement provided to members shall be solely the responsibility of the Union and at Union cost.

L. Policy Handbooks: The District will post the *Board of Education Policy Handbook* on the District website. Changes of policies or procedures shall be furnished to the Union President within ten (10) days of the publication.

M. Dues Deduction Indemnification: Pursuant to Section 5/11.1 of the IELRA, the Union shall indemnify the District for any damages and reasonable costs incurred for any claims made by an employee for deductions made or not made in good faith reliance on the Union's notification to the District of an employee's request to authorize, revoke, cancel, or change authorizations for payroll deductions.

N. Labor-Management Meetings: In an effort to keep open lines of communication and maintain a productive problem-solving culture, there shall be quarterly meetings between the Superintendent or designee and the Union President(s) or designee to discuss those issues and concerns relative to the bargaining unit and the application of the terms of this Agreement. To the extent that such meetings are not held during the Union President's workday, such meeting time will be unpaid.

ARTICLE V
PROBATIONARY PERIOD AND DISCIPLINE

A. Probationary Period: Employees shall have a one full work year probationary period. An Employee who voluntarily transfers to a position in a new "Group" as that term is used in Article VIII (Seniority, Layoff, and Recall) shall have a ninety (90) work day probationary period in the new position. The Board shall be the sole judge as to whether any probationary employee shall be retained or continued in employment. During an employee's probationary period the Board shall have the sole right to lay off or discharge an employee and the Board's exercise of such right shall not be subject to the grievance and arbitration procedure.

B. Complaints: When a complaint regarding an employee which may result in discipline is made to an administrator, the administrator shall make the employee aware of the complaint and give the employee a chance to respond before imposing any discipline. The Superintendent may suspend an employee with pay while investigating a complaint, and at the conclusion of the investigation, suspend an employee without pay pending a Board action on a recommendation to terminate the employee.

C. Disciplinary Meetings: Employees shall be afforded due process when subject to disciplinary investigations. Each employee shall have the right to be accompanied by a Union representative at any meeting where the employee reasonably believes that discipline may occur. An employee must be given prior notice in writing of any meeting that can result in discipline when practicable.

ARTICLE VI

WORKING CONDITIONS

A. Work Day: The normal work day for employees shall not exceed eight (8) hours per day exclusive of the employees' duty-free unpaid lunch period although the District retains the right to set the work day for certain positions at less than eight (8) hours. Each employee who works at least six (6) hours per day shall be entitled to a duty-free unpaid lunch period of at least thirty (30) minutes per day and at least one (1) paid break of at least fifteen (15) minutes to be assigned by the member's supervisor. A break period may be attached to the thirty (30) minute duty-free lunch with prior approval of the employees' supervisor. If an employee works hours beyond their normal work day, they must still also work their full normal work day hours unless otherwise approved by the employee's direct supervisor (i.e., no flex time unless approved).

Subject to the limitations in the paragraph immediately above, the District has the management right to establish the start and end times of employees' work day with the input of the Union, but the final decision will be made by the District.

B. Summer Fridays for 12-Month Administrative Assistants: The Superintendent has the sole discretion and unfettered right on an annual basis to offer an optional alternative work schedule to 12-month administrative assistants which will allow such administrative assistants to work a half (1/2) work day on a specified number of Fridays during the summer recess period. If the Superintendent chooses to offer the optional alternative work schedule during the summer recess, she/he also has the sole discretion and unfettered right to set any conditions applicable to such alternative work schedule and those conditions may be changed on an annual basis and the union agrees that the District has no obligation to bargain such changes. The Superintendent has the sole discretion and unfettered right to decide not to offer the aforementioned optional alternative work schedule. The Superintendent or designee shall annually notify the 12-month administrative assistants of any optional alternative work schedule and applicable conditions by no later than the last day of student attendance. This paragraph is not subject to the grievance and arbitration procedures set forth in this Agreement.

ARTICLE VII

VACANCIES AND TRANSFERS

A. Posting of Vacancies: The administration shall post on the District website notices of all vacancies for positions covered by this Agreement and shall email such notices to employees prior to filling any such vacancies. All interested employees shall have a reasonable opportunity to apply and be considered for such vacancy.

Ten (10) days after the expiration of the posting, the Assistant Superintendent for Human Resources will notify the applicants of the disposition of the application. If posted vacancies lack specific information relating to the vacancy, such information will be available by contacting the Assistant Superintendent for Human Resources or the Director of Special Education/Pupil Services. Nothing herein shall be construed to require the Board to fill any position. Vacancies shall be posted only after honorably dismissed employees have been given the opportunity to exercise their recall rights.

B. Vacancy Defined: A vacancy shall be defined as a position within the bargaining unit that is unfilled as a result of a resignation, termination or transfer or a new position is created. A vacancy is not a position that is unfilled due to another employee being on leave.

C. Summer Work: Positions for temporary summer jobs shall be posted per Article VII.A above. Regularly employed support staff personnel shall be given first consideration before outside applicants are considered provided they have the requisite skills to complete the work.

D. Transfers: It is the sole and exclusive responsibility of the administration to assign or transfer employees. Before making assignments of employee for the following school year, the administration will consider written transfer requests submitted to the Assistant Superintendent for Human Resources prior to the end of the school year. The employee shall receive written acknowledgement, in a timely manner, that a request for transfer was received.

In addition, employees who are transferred during the current school year or at the end of the school year shall be given a chance to meet with the Assistant Superintendent for Human Resources to discuss the transfer. At the Employee's request, a Union representative will also be permitted to attend the meeting with the Employee and the Assistant Superintendent for Human Resources. Employees will be informed about transfers directly involving them as soon as reasonably possible under the circumstances.

ARTICLE VIII

SENIORITY, LAYOFF, AND RECALL

A. Seniority: Seniority shall be defined as the length of consecutive service in the District within the respective category of bargaining unit position and shall accumulate from the date of original hire in that respective category. The original date of hire shall be deemed to be the first day worked in that category. In the event of any ties in seniority, then the total duration of an employee's continuous consecutive years of service in the District, regardless of category of position, shall be used to determine seniority ranking. If a tie still exists, then total years of non-consecutive service in the District shall be used as the deciding seniority factor and if a tie still exists, the deciding factor will be determined by lottery.

Employees who have not successfully completed their probationary period shall not have seniority for the purposes of this Article. Employees who successfully complete their probationary period shall have seniority starting with their date of hire in the District as defined above.

The District shall maintain separate seniority lists for full and part-time employees, categorized by positions. Annually, but no later than January 15, the District shall post seniority lists for employees and provide a copy to the Union. Employees shall be afforded at least five (5) work days to submit corrections to the seniority list to the Superintendent or designee; no further corrections to the list shall be made until the following year. Employees who are absent during the corrections time period may contact the Superintendent or designee upon their return to submit changes. Final copies of the seniority list shall be prepared by each February 1st for posting, with a copy provided to the Union.

The seniority categories for employee bargaining unit positions shall be as follows:

GROUP A

1. 12-Month District Administrative Assistants
2. 12-Month Building Administrative Assistants
3. 10-Month Building Administrative Assistants
4. Building Clerical Assistants

GROUP B

5. Head Custodians
6. Custodians (includes night, bridge and permanent subs)
7. Maintenance
8. Delivery/Truck Drivers

Any employee who moves to a new position within a different category shall maintain seniority in the original position category but shall not accrue any further seniority in that category. In the new position, the employee shall maintain the number of years of his/her seniority when moving to a new position/category as long as the position remains within the same Group as identified above. If the move is to a new group, the Employee must begin to accrue seniority anew in that position/category (i.e., the employee does not carry over the years of seniority from the prior position).

B. Layoffs: If the Board determines to remove an employee or reduce the hours of an employee for reasons of reduction in force, employees shall be laid off in the reverse order of their seniority within their respective categories of position as defined in Section A immediately above.

The employee with the least seniority in the affected category shall be dismissed or have his/her hours reduced first. If the reduced or dismissed employee has previously accrued seniority in any of the other categories, said employee shall have the right to be transferred to a position in such other categories if such position is held by a less senior employee. Notification of layoff shall be by regular mail and also by either certified mail (return receipt/restricted signature requested) or personal delivery with receipt at least thirty (30) calendar days prior to the dismissal of the employee or the reduction in hours. If a reduction in hours is due to an unforeseen reduction in the number of students, then the written notice must be mailed and given to the employee at least five (5) days before the hours are reduced.

C. Recalls: If the Board has any vacancies for the following school term or within one calendar year from the beginning of the following school term in one of the categories listed in Section A above, the positions thereby becoming available shall be tendered to the non-probationary employees who were reduced from that category of position in order of seniority.

If there are any remaining vacancies in a given category which the Board is seeking to fill and there are no employees from that category with recall rights, non-probationary employees from other categories who were laid off and who have recall rights shall be tendered the vacancies in order of seniority, provided they are qualified by skills, training, ability, and experience to hold the position.

In all cases where a non-probationary employee has the right to be tendered a position as set forth above, a notice of recall shall be sent to the employee by certified mail (return receipt/restricted signature requested) or by personal delivery with a signature receipt to the last address submitted to the Superintendent or his/her designee by the employee. Failure of the employee to affirmatively respond to such notice within ten (10) calendar days of its receipt or within fifteen (15) calendar days of its mailing, whichever is less, shall terminate the responsibility of the Board under this Article; provided, however, if the notice of recall is sent within sixty (60) calendar days prior to the start of the school calendar, failure of the employee to affirmatively respond to such notice within five (5) weekdays of its receipt shall terminate the responsibility of the Board under this Article.

All notices of recall shall include a telephone number of an appropriate administrator in order to facilitate an immediate response. It shall be the responsibility of each employee who is laid off to advise the Superintendent or designee in writing of his/her latest address.

The Board agrees to notify the Union President or his/her designee whenever a notice of recall is sent to an employee.

ARTICLE IX

GRIEVANCE PROCEDURES

A. Definition: A grievance shall mean that there has been an alleged violation, misinterpretation, misapplication of any specific terms of any provision in this Agreement.

B. Adjustment: The parties hereto acknowledge that the best procedure for the solution of a problem is through free and informal communication between those involved. Open discussion, reasonable restraint, and a lively interest in the greater good of the education situation should characterize all efforts toward redress. Should these informal procedures fail to bring satisfaction, the grievant may initiate the following course of action.

Step I

The grievance shall be submitted in writing within ten (10) days of the alleged grievance or within ten (10) days after the grievant, through the use of reasonable diligence, should have become aware of the event giving rise to the alleged grievance. The alleged grievance shall set forth all known basic relevant facts on which it is based, and the provisions of this Agreement allegedly violated, and the remedy sought. This grievance shall be presented to the supervisor immediately involved, with a copy provided to the Union President. The supervisor will arrange for a meeting to take place within ten (10) days after receipt of the grievance. The grievant and the immediately involved supervisor shall be present for the meeting. The Union's representative may be present if requested by the grievant. The supervisor shall provide a written answer regarding the grievance to the grievant and the Union President within ten (10) days after the meeting. This answer shall include the reasons for the decision.

Step II

If the grievance is not resolved at Step I and the grievant wishes to appeal, the grievant shall refer the grievance in writing to the Superintendent or his/her official designee within ten (10) days after receipt of the Step I answer. The Superintendent or his official designee shall arrange a meeting with the grievant and such representatives as the grievant and/or the Superintendent or his/her official designee deem necessary to consider facts pertinent to the grievance. Such meeting shall take place within ten (10) days of the receipt of the appeal. Upon conclusion of the hearing, the Superintendent or his/her official designee shall have ten (10) days in which to provide the written decision with reasons to the grievant and the Union.

Step III

If the grievance is not resolved at Step II, the Union shall refer the grievance to binding arbitration within twenty (20) days after receipt of the answer in Step II by filing a demand for arbitration with the American Arbitration Association. The American Arbitration Association Rules for Voluntary Labor Arbitration shall apply.

The arbitrator shall have no right to amend, notify, nullify, ignore, add to, or subtract from the provisions of this Agreement. The arbitrator shall consider and decide only the specific issue(s) submitted to him/her in writing by the Board and the Union and shall have no authority to make an award on any other issue not so submitted to him/her. The arbitrator shall be without power to make decisions in violation of applicable Federal, State and local laws, and rules and regulations having the

force and effect of law which are issued by agencies having regulatory authority over the Board. The arbitrator's award shall be based solely upon his/her interpretation of the meaning or application of the specific terms of this Agreement. Consistent with these provisions, the arbitrator shall have the authority to make an award concerning the remedy, if any, that he/she considers to be appropriate.

The fees and expenses of the arbitrator shall be divided equally between the Board and the Association; provided, however, that each party shall be responsible for compensating its own representatives or witnesses.

C. General Guidelines:

1. If the Board challenges the arbitrability of a grievance on the grounds that the grievance was not submitted within the required time limits set forth in Step I, this issue may be processed as part of the grievance in accordance with the Grievance Procedure set forth in this Article. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be considered to be acceptance of the decision rendered at that step. Failure at any step of this procedure to answer a grievance within the specific time limits shall permit the grievant (and the Union with respect to appeals to Step III) to proceed to the next step.

2. All time limits consist of school days. If a grievance is submitted less than ten (10) days before the close of the current school term, the time limits shall consist of all weekdays in order that the grievance may be resolved before the close of the school term or as soon thereafter as possible. School days for purposes of the grievance procedure shall mean employee employment days.

3. If the grievant, the immediately involved supervisor, the Union, and the Superintendent agree, Step I of the grievance procedure may be bypassed and the grievance brought directly to Step II.

4. Class grievances involving two or more employees which involve the same facts may be initially filed by the Union at Step II.

5. The Board acknowledges the right of the Union to participate in the processing of grievances in accordance with the provisions of the Illinois Educational Labor Relations Act (IELRA). No employee shall be required to discuss any grievance if the Union's representative is not present.

6. The Board and the Administration shall cooperate with the Union, and vice versa, in investigation of any grievance, and further, they shall furnish each other with such information requested for the processing of any grievance, but this does not involve the preparation of any material or information not already available to the Board, Administration or Union.

7. No reprisals of any kind shall be taken by the Board or the Administration against an employee because of his/her participation in this grievance procedure. Furthermore, the Union shall not participate in any reprisals against administrators or supervisors for any testimony or decisions given because of participation in this grievance procedure.

8. Should the Board or the Superintendent require that an employee or a Union representative be released from his/her regular assignment, he/she shall be released without loss of pay or benefits for the investigation or processing of any grievance. The parties agree to schedule arbitration hearings insofar as practicable at times when employees can be present to testify as witnesses without interfering with their assigned duties; provided that if an employee is required to testify during his/her

regular assignment, said employee shall be released without loss of pay or benefits for the purpose of testifying. In addition, up to two (2) Union representatives shall be released to attend arbitration and/or IELRB hearings without loss of pay or benefits.

9. Grievances, responses to grievances, appeals, and other records dealing with the processing of a grievance shall not be placed in personnel files.

10. A grievance may be withdrawn by the grievant at any level without establishing a precedent.

11. Nothing contained herein shall be construed as limiting the right of any employee to file a grievance in accordance with the procedures set forth in Step I and Step 2 herein without the support or intervention of the Union, provided the Union has been notified and the adjustment is not inconsistent with the terms of this Agreement.

12. Upon written mutual consent, time limits may be extended.

13. If any employee files any claim or complaint in any court of law or other appropriate governmental agency other than the grievance procedure of this Agreement, then the Board shall not be required to process the same claim or set of facts through the grievance procedure set forth herein.

14. By the mutual agreement of both parties, a grievance that has been appealed to arbitration in timely fashion may be handled in accordance with the expedited labor arbitration rules of the American Arbitration Association and/or in accordance with such expedited procedures as the parties may mutually agree to.

ARTICLE X

EMPLOYEE PERSONNEL FILES

Each employee shall have the right, upon request, to review the content of any file pertaining to him/her. At the employee's request, a representative of the Union may accompany the employee in this review. Such review shall be by appointment during normal office business hours and in the presence of a designated employee of the Board. No employee shall remove any material from his/her personnel file but shall have the right to make a copy of it. Such review shall not be applicable to the following confidential materials: recommendations by colleges or universities, or evaluations by previous employers. Employees' files shall contain the minimum items of information as follows:

- Required medical information
- All employee evaluation reports
- Copies of all notifications of reemployment
- Copies of all notifications of supplemental duties
- Any other documents which could be used as a basis for discipline, reemployment, demotion, promotion, reassignment, or salary

An employee shall be advised within five (5) school days of placement in his/her file of any document relative to observation, corrective interview, or reemployment. The employee shall have the opportunity of filing a written response to this material in the file within thirty (30) calendar days.

ARTICLE XI

| 2. | Maintenance: | \$28.25/hour |
| 3. | Administrative Assistants: | L3 \$19.05/hour |

In addition, bargaining unit members who are employed with the District when this Agreement has been ratified and approved shall receive a one-time, non-compounding, longevity stipend in the following amounts based on their individual years or service in the District as of January 1, 2023. A year of service is granted if the bargaining unit member was employed, present, and participating for at least one-half of his/her full work year.

| 15+ years: | \$1,500.00 |

2. 2023-2024: The salary increase for bargaining unit members who were employed with the District prior to July 1, 2023 shall be 3.25% over the prior year's base salary.

3. 2024-2025: CPI-U Formula: Bargaining unit members shall receive an increase from their previous year's base salary equal to the percentage attributable to the corresponding fiscal year in accordance with the Illinois *Property Tax Extension Limitation Law* (PTELL), commonly referred to as the "tax cap," subject to an annual floor of 1.5% and a ceiling of 3.25%. More specifically, the percentage increase shall be equal to the annual percentage increase in the Consumer Price Index for All Urban Consumers in the U.S. (CPI-U), as published by the U.S. Department of Labor's Bureau of Labor Statistics,

two calendar years prior to the year in which taxes are actually extended (collected) (which is December 2023 for 2023-2025). Notwithstanding the percentage increase in the annual CPI-U, however, the base hourly rate increase will not be below the aforementioned floor of 1.5% and will not exceed the aforementioned ceiling of 3.25%.

C. Health Insurance: Employees who work at least thirty-five (35) hours per week as part of their normal work schedule and who participate in the District's health plan shall receive the same health insurance benefits and shall pay the same contribution toward the health insurance premium as a full-time PRTAA member. Bargaining unit members who work less than thirty-five (35) hours per week, but who work at least twenty (20) hours per week as part of their normal work schedule and who participate in the District's health plan shall pay the applicable higher pro-rata amount toward the health insurance premium. Employees who work less than twenty (20) hours per week are not eligible for the District's health insurance plan.

D. LEAVES OF ABSENCE

A. Time Off With Pay: All employees who work at least thirty (30) hours per week shall be awarded sick leave and/or personal business leave annually according to the following schedule. Employees who work less than thirty (30) hours per week, but at least meet the IMRF's "Six Hundred (600) Hour Standard" shall receive a prorated allocation of sick leave of not less than ten (10) days per year and a prorated allocation of personal business leave. Employees who work less than six hundred (600) hours per work year shall not be eligible for any sick or personal leave unless otherwise required by law. New employees will accrue sick leave on a monthly basis during their initial full work-year probationary period. After the initial probationary period, employees will receive their annual allotment on the first workday of their work year.

Years of Experience in the District	Sick Leave Days	Personal Leave Days
1	10	3
2	10	3
3	12	3
4	12	3
5+	15	3
27+	17	3

B. Sick Leave:

1. Use of Sick Leave Days: As authorized in the School Code, sick leave days may be used for personal illness, mental or behavioral complications, quarantine at home, serious illness or death in the immediate family or household, or birth, adoption, or placement for adoption. "Immediate family" shall mean the employee's parents, spouse, brothers, sisters, children, sons-in-law, daughters-in-law, grandparents, grandchildren, parents-in-law, brothers-in-law, sisters-in-law and legal guardians. The District maintains the right to investigate suspected inappropriate use and/or abuse of sick leave (including, but not limited to, a pattern of absences immediately before/after the weekend and immediately before/after holidays or school breaks) and, if appropriate, issue progressive discipline.

Pursuant to the Illinois *School Code*, the employee may use up to thirty (30) accumulated sick leave days because of the birth of a child without submitting medical certification. These thirty (30) days must be used consecutively when used for birth except that the right to use such days will not be diminished by intervening breaks (winter/spring/summer recess) or holidays. If an employee is on FMLA leave because of the birth of a child, the employee must first use his/her accumulated thirty (30) sick leave days per the *School Code* for the first thirty (30) workdays of the FMLA leave and then the remainder of the FMLA leave will be unpaid unless the employee can submit medical certification justifying continued use of accumulated sick leave.

For use of paid sick leave or adoption or foster care, the employee shall provide evidence that the formal process is underway. Sick leave used for this purpose is limited to thirty (30) working days but need not be used consecutively.

2. Maximum Accumulation: All unused days (sick leave or personal business) shall accumulate as sick leave days to a maximum of 275; provided, however, the maximum accumulation shall be determined at the end of the school year. Example: An employee with 275 accumulated sick leave days at the end of the school year shall be credited with an additional 15 sick leave days and 3 personal business days at the start of the next school year, with the understanding that the maximum number of accumulated sick leave days at the end of said school year shall not exceed 275, regardless of whether the employee uses any of said 15 sick leave days or said 3 personal business days.

C. Personal Leave: Personal business leave shall be used for only those absences for personal business which cannot be scheduled or handled on days or at times other than during working hours. Examples of such leave shall include, but are not limited to, religious holidays, mandatory appearances for legal proceedings, graduations and weddings in the family, and attendance at funerals for persons not included within the definition of "immediate family," but shall not include such things as planned vacations and remunerative activities or any activity that can realistically be scheduled during non-school time.

Employees must submit a request to the direct supervisor to use a personal day at least three (3) work days prior to use of a personal day unless an emergency prevents such notice and then the employee must provide the supervisor with the emergency reason as soon as practical. The Administration reserves the right to deny personal day requests based upon the needs of the District. In the event that the direct supervisor denies such request, the employee shall be provided with the reason for such denial. The decision to deny a request is not subject to the grievance and arbitration procedures set forth in this Agreement.

No more than two (2) personal days shall be taken consecutively, and personal days may not be used immediately prior to or following a holiday, vacation day, a three-day weekend, or an extended holiday period except in an extreme emergency, and then only with the Superintendent's approval. Additional emergency personal business days may be granted under extenuating circumstances at the discretion of the Superintendent.

Unused personal days may be rolled over the following year with a cap of six (6) personal days.

D. Religious Leave: When an employee's religion requires worship or observance that cannot be performed other than during school hours, and observance is not otherwise provided in the school calendar, up to two (2) days with pay may be taken annually. Any such days taken shall be deducted from the employee's personal leave as determined by the employee. If the employee has no personal leave days, he/she may still take up two (2) days absence, but such days shall be unpaid, and the employee shall not be subject to any disciplinary action.

E. Family and Medical Leave Act of 1993: The Board may adopt policies to implement the Family and Medical Leave Act of 1993 (FMLA) that are in accord with what is legally permissible under the Act. Examples of the purposes for which eligible employees can use FMLA leave include:

1. birth and/or care of a newborn child within the twelve (12) months after the birth of the child;
2. placement of a child for adoption or foster care within the twelve (12) months after the placement of the child;

3. care of an employee's spouse, child, or parent with a serious health condition;
4. treatment of an employee's own serious health condition; and
5. certain military-related purposes.

F. Other Leave Provisions: A leave of absence without pay of up to one (1) year may be granted to any employee, upon application and approval, in the sole discretion of the Board, for the purpose of study, travel, parental leave or personal business. No experience increase shall be granted on the salary schedule for the period of such leave. Such leave may be extended for up to an additional one (1) year under the same terms and conditions.

G. Workers' Compensation: The Board shall pay the State of Illinois prescribed workers' compensation payment to an employee who is determined to be eligible to receive workers' compensation pursuant to 820 ILCS 305/1 et seq. Said employee may elect to receive any additional sick leave compensation paid by the Board and available to the employee (i.e., 1/3rd of an employee's accumulated sick day to bring the employee to full salary) or to receive only the workers' compensation benefits to which the employee is entitled (i.e., 2/3rd of salary).

When ten (10) month employees move to a twelve (12) month position, that employee will have his/her total time with the District combined and calculated to determine how many full 12-month work years the employee has been employed by the District. (Example: 10-month employee who worked for D64 for 10 years prior to transferring to a 12-month position will have service time with the District calculated at 8.33 full 12-month work years.)

All vacation days must be approved by the employee's immediate supervisor. An employee must submit a vacation request to his/her supervisor at least one (1) week in advance of the use of the vacation time except for employees who work in custodial and maintenance positions who must submit a vacation request at least fourteen (14) calendar days prior to the use of vacation time. The parties agree that to the extent permitted by law all present and future substantive aspects of employee evaluations in general and an employee's individual evaluation (including the evaluator's assessment, judgments and ratings) ARE NOT mandatory subjects of bargaining and are NOT grievable or arbitrable, but the District's development of the substantive aspects of employee evaluations shall be consistent with its obligations under the *School Code* and the IELRA. However, the parties further agree that all procedural aspects of employee evaluations ARE mandatory subjects of bargaining and that those procedural aspects included in this Agreement ARE both grievable and arbitrable.

The parties agree to begin negotiations by April 1 in which this Agreement terminates, unless otherwise agreed. The submission of a request by one party shall obligate the other party to join in such request.

ARTICLE XVIII
ENTIRE AGREEMENT/WAIVER OF BARGAINING

The terms and conditions set forth in this Agreement represent the full and complete understanding between the parties. This Agreement supersedes and cancels all previous agreements between the Board and the Association and constitutes the entire Agreement between the parties. Any amendment or agreement supplemental hereto shall not be binding upon either party unless executed in writing by the parties hereto.

The parties acknowledge that, during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the Board and the Association, for the duration of this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated, to bargain collectively with respect to any subject or matter referred to during such collective bargaining process, or any item covered specifically in this Agreement. This provision shall not, however, prohibit the parties from mutually agreeing to alter, change, add to, delete or otherwise voluntarily modify this Agreement in accordance with the first paragraph of this Article XVIII.

ARTICLE XIX

ARTICLE XXIII
REOPENING OF NEGOTIATIONS

Notwithstanding any provision to the contrary in this Agreement, the parties agree to reopen negotiations of this Agreement, upon the written request of either party, provided such request is premised on the enactment of a state-imposed property tax “freeze” or upon a successful voter-initiated referendum pursuant to S.B. 1947. In the unlikely event that the parties are unable to reach an agreement, the parties each reserve their procedural and substantive rights under the *Illinois Educational Labor Relations Act* with respect to the remaining years of the Agreement.
