### **Halloween Dress Guidelines**

The Student Government Association (SGA) has provided an opportunity for students to wear costumes at Lincoln on Tuesday, October 31, 2023. Students must donate one dollar in order to participate. While we as a staff try to keep distractions to the learning environment to a minimum, we will allow this practice with the guidelines listed below.

Costumes must:

- Adhere to the District dress code
- Be respectful, appropriate, and be of a non-violent nature
- Not contain any weapons (real or look-alike). This includes but is not limited to swords, guns, knives, clubs, lasers, etc.
- Cover the student appropriately.
- Hats and head coverings will be allowed if they are part of the student costume.
- Students must be recognizable - no face paint or full face masks. Face masks for health and safety must continue to be worn.
- Costumes cannot display any drug, alcohol, or cigarette logos or references.

Any student wearing a questionable costume will be referred to the office and administration. If costumes are inappropriate, the student may be subject to disciplinary consequences and, at the very least, be required to change into other clothing items.

NOTE: Lincoln Middle School and District 64 are committed to providing an inclusive and safe environment for all of our students. We ask that you and your student please be mindful and to refrain from costumes that can be considered offensive or insensitive. Specifically, students should avoid costumes with cultural/ethnic/racial appropriation and /or costumes depicting individuals whose life/work represent values and qualities counter to those of the District and the school.

I hope that this privilege is one that is enjoyed by all and that these guidelines will make for a fun-filled day.

### **Halloween Candy Wrapper Recycling**

With Halloween approaching now you can recycle your Halloween candy wrappers at Lincoln! Candy wrappers cannot go in our regular recycling bins in Park Ridge, so bring those candy wrappers to the box in the front entrance vestibule! No food or liquids in the box please. We will be collecting wrappers until mid November. Happy Halloween and thanks for helping Lincoln Go Green!

You will see an orange "Trash or Treasure" collection bin located inside of Door #3 on Crescent.

### **Name The Lincoln Lion**

The PTO in coordination with the administration is looking to provide our Lincoln Lion mascot with a proper name...and we need your help. Staff, students, and parents are encouraged to submit potential mascot names for consideration. Once all submissions have been received, a final ballot of names will be sent to all staff and students to determine the winner.

### **Maine South High School - Info for Current 8th Grade Students**

Maine South High School has recently provided us with information for our current 8th grade/incoming 9th grade students and parents. Please see [this letter](#) from their administration and mark your calendars for upcoming events.

Additionally, you can see the timeline for upcoming events for incoming freshmen [HERE](#).

### **Student Absences and Missed Work**

Work will be given upon return for students leaving the country or immediate District area when your children RETURN to school. It must be completed at home under a parent's supervision. Teachers are not expected to provide homework or assignments in advance for students who will be absent for an extended period of time for a family vacation and other activities.

When students are home sick or absent for a valid cause, students may make up missed homework and classwork assignments in a reasonable timeframe upon return. Parents and students can keep up on assignments via Schoology. Teachers are not expected to provide work in advance, and parents are encouraged to be in contact with the teachers to establish a timeframe for classwork/assignments.

### **Bus Tracking App Now Available**

We are excited to start offering a way for families to securely track the exact bus location to monitor where their child is during the morning pickup and afternoon bus drop-offs. Starting Monday, October 2nd, 2023, families can use the Zonar MyView app to see the live location of their child's bus.

As we begin using the software and app, this improvement to our transportation process will only be available to the families of bus riders at Field Elementary School and Lincoln Middle School. The rest of the schools will be added later this

school year. We ask that once families download and use the app, they fill out [this feedback survey](#) so that the District Office can monitor how the app rollout is going.

[Follow the attached directions to set up the Zonar MyView app.](#)

- If you need help finding your child's bus information - [this document](#) shows you where you can find it in the Parent Portal.

The Zonar MyView app can be downloaded at the Google Play Store on Android devices and the App Store for iOS:

### **Student Calls to Parents**

Please remember that students are not allowed to use cell phones during school hours. Phones are available in the main office for student use. Students calling to report illness should be directed to first visit the school nurse. Our school nurse is available to see your child and can often help with their current discomfort or symptoms. Thank you for your cooperation.

### **After-School Clubs (TLCs) and Activities**

We have started up our first trimester after-school clubs and activities. We want all of our students to get involved, so take a look at the teen leisure club offerings and encourage your son or daughter to join in on the fun.
