

Lincoln Families,

Happy Groundhog's Day! Looks like spring is coming soon...be sure to keep up on all that is happening as we move through these next (hopefully warm) months.

Have a great weekend,

Dave

Please read below for the latest news, reminders and updates from Lincoln Middle School and School District 64.

Lincoln Art on Display

Lincoln students displayed their artwork at Triple Scoop'd Ice Cream in Park Ridge on Thursday to share with everyone. Artwork ranged from black and white photography, charcoal drawings, abstract watercolors, and much more.

Lincoln art teachers Lee Deines and Janice Starkey helped put their students' artwork on display for all to enjoy.

Student artwork will be displayed until the end of March and can be viewed during business hours. Grab a cone and enjoy some art!

See some more photos [here](#).

Registration for 2024-25

Registration for the upcoming school year is currently open and needs to be completed by March 22, 2024. We cannot stress to you enough the importance of completing this necessary process as it can impact the ability of our school to plan, schedule and, most importantly, hire teachers and staff for the upcoming school year. More specifically, this can impact student schedules, teacher assignments, and teaching locations in the building.

There is an early bird discount on student fees for families registering by 12:00 on March 18. To take advantage of the fee discount you will need to have the registration forms filled out and submitted by Monday, March 18th. This allows our staff time to verify documents and send out invoices so you can pay them by noon on Friday, March 22nd.

Go to d64.org/about/register to enroll.

Middle School Ice Skate Night 2/4

In coordination with the Lincoln and Emerson PTOs, we would like to invite all middle school students and families to a Middle School Skate Night at the Oakton Ice Arena. Please see this [flyer](#) for details.

Park Ridge Community Health Commission Event 2/6

On February 6th at 7pm, Teri Collins, former executive director of the Maine Community Youth Assistance Foundation, will be hosting an event at the library titled "Trends in Teen Drug Use - Say KNOW to Drugs". This event will cover current trends in teen drug use. Topics will include vaping, marijuana and illicit pharmaceutical use. Dr. Teri Collins and Kevin Ryan, School Resource Officer for Maine East will show examples and answer questions. She is also planning on having students from Maine South's anti-drug group, BOOST, come and share some information at tables around the room before and after the presentation.

We are hoping for a very informative, interactive session and we are confident this topic will be impactful for all who attend.

LMS PTO Movie Night 3/7

The Lincoln PTO is hosting a special advance viewing of Kung Fu Panda 4 at the Pickwick Theater on March 7. Please see [this flyer](#) for more information.

Snow Day Update

There will be no school on Friday, March 8, 2024.

D64 had only two days of school closings due to inclement weather before February 1st, meaning Friday, March 8th becomes a Records/Planning Day. Staff will work, but there will be no student attendance on March 8th.

Update 2024-25 Calendar

The D64 School Board recently approved the school calendar for the 2024-25 school year. View the calendar [here](#).

Calling All Young Authors!

The D64 Young Authors Contest is an independent, voluntary at-home project for students interested in writing and publishing their work for others to read. Here is a more detailed overview of [this year's guidelines](#). Submissions are due by March 1st.

8th Grade Promotion - Save the Date

A promotion ceremony for our 8th grade students has been tentatively set for Tuesday, June 4, 2024 at Maine East High School. Details will still need to be discussed and finalized. For now, save the date.

Maine South High School - Info for Current 8th Grade Students

Maine South High School has recently provided us with information for our current 8th grade/incoming 9th grade students and parents. Please see [this letter](#) from their administration and mark your calendars for upcoming events.

Additionally, you can see the timeline for upcoming events for incoming freshmen [HERE](#).

After-School Clubs (TLCs) and Activities

We have after-school clubs and activities available for students on a drop-in basis. We want all of our students to get involved, so take a look at the teen leisure club offerings and encourage your son or daughter to join in on the fun. New clubs and activities will be posted after the break.

Illness Reminders

Cold and Flu Season is here! Please do not send your student to school if they have a fever of 100 or above, vomiting and/or diarrhea, or if they feel too sick with a sore throat, cough, runny nose, etc. to participate in class. Keep them home, give them time to rest and do not send them back to school until they are 24 hours free

of vomiting, fever, and diarrhea without the use of medication AND feeling well enough to participate in the school day. [Please read this illness letter](#) that was sent home earlier this year about the common illnesses we're seeing this time of year. IDPH and CDC have asked us to remind you to make sure you and your students are up to date on your flu and COVID immunizations (and RSV vaccine for infants or older adults).

If your child will not be attending school due to illness or any other reason, please report it to the school absence line at any time and leave a message stating the reason for the absence. We want everyone to be healthy for the last week of school before break and want to help everyone have a healthy holiday season.

Absences

Please call the office attendance number (847-318-4215) if/when students miss class for any reason. Also, please be sure to contact the school nurse, Rachel Ossmo (847- 318-4219) with any illness/medical information related to the absence. If a student is leaving for an appointment, it is recommended to send a note with your child to provide to his/her classroom teacher. Students should come down to the office at their designated time; the front office will not be calling into classrooms for your student.

Please remember that you can check your child's attendance through the PowerSchool Parent Portal..

NOTE: As a reminder and per the D64 [Student-Parent Handbook](#), absences due to vacations, attendance at a cultural or sporting event, or participation in a team sport, acting or fine arts performance are considered unexcused. Work will be given upon return for students leaving the country or immediate District area when your children RETURN to school. It must be completed at home under a parent's supervision. Teachers are not expected to provide homework or assignments in advance for students who will be absent for an extended period of time for a family vacation and other activities.

Portal Access

All Lincoln students and parents are provided access to schedules via the PowerSchool parent and student portals. The PowerSchool Parent Portal allows you access to your student's academic information, including student schedules and grades. To gain access to the Parent Portal, please go to ps.d64.org. If you have any questions on how to login, please contact the Lincoln Main Office for assistance (847) 318-4215.

Schoology Parent Access

Schoology will be utilized by students to help navigate their remote learning day and will include links to students' virtual class meetings. Parents can also access students' classes and monitor student assignments. To assist, we have created [THIS VIDEO](#) to assist in navigating this new learning platform.

Not connected to Schoology yet? [Follow the directions here!](#)

School Hours

School hours for student classes are from 8:05 a.m.- 3:00 p.m. Please note that each Wednesday, students are dismissed at 2:10 p.m. for staff professional development activities.

Doors to the school open for students each morning at 7:58 a.m. Homeroom begins at 8:05 a.m.

Office Hours

School office hours are from 7:20 a.m. - 4:00 p.m. Remember that our student absence line (847) 318-4215 is available 24 hours a day. Please let the Lincoln Office know as soon as possible if your child will not be in attendance. Please do not rely on e-mail notification for reporting absences as it may not be seen until later in the day.

Lincoln Website and Calendar

The Lincoln website and Lincoln school calendar are valuable resources to keep informed of important updates and events throughout the year. The calendar is kept up to date throughout the school year, and new information is posted regularly. We hope that these tools are helpful resources for keeping you and your student organized and informed as we progress through the year.

[D64 Website](#)

Calendars for 2023-2024 can be viewed [HERE](#).

Student-Parent Handbook

Lincoln Middle School, along with all District 64 schools, operates in accordance to policies and practices that have been reviewed and implemented by the District 64 Board of Education. Please review the [D64 Student-Parent Handbook](#) prior to the start of the school year to familiarize yourself with the information contained in it. We want to work in partnership with you to ensure a positive school year, and having an understanding of this information will help to promote a successful school year. This handbook is intended as a convenience for District 64 families and staff

by summarizing selected information about procedures, services and programs. It also provides a quick reference for contact information and District timelines.
