In addition to sharing information about your career, each session will include a few minutes for student questions. Career Day activities will occur between 8:40-11:20 a.m. If you, a family member, or friend is interested in volunteering to speak about a career, please complete this [form](#) by Friday, April 12.

Solar Eclipse - April 8 (Permission Required)

On Monday, April 8, 2024 all of North America will experience an eclipse of the sun. A solar eclipse occurs when the moon blocks any part of the sun. This is the first time since 2017 a solar eclipse will be visible on a path across the entire continental United States.

The eclipse in Park Ridge will be a deep partial (with magnitude 93.5%) beginning at 12:51 p.m and in mid-eclipse at 2:07 p.m. To participate in this event, our school has organized a structured, supervised viewing opportunity for students.

NOTE: A stand-alone communication will be sent out next week that includes the required parent permission form that we will need from all students participating in the event. It is mandatory that we have this form completed in order for students to participate in the event.

SUPER DUPER IMPORTANT: Registration for 2024-25

Registration for the upcoming school year is currently open and needs to be completed by March 22, 2024. We cannot stress to you enough the importance of completing this necessary process as it can impact the ability of our school to plan, schedule and, most importantly, hire teachers and staff for the upcoming school year. More specifically, this can impact student schedules, teacher assignments, and teaching locations in the building.

There is an early bird discount on student fees for families registering by 12:00 on March 18. To take advantage of the fee discount you will need to have the

registration forms filled out and submitted by Monday, March 18th. This allows our staff time to verify documents and send out invoices so you can pay them by noon on Friday, March 22nd.

Go to d64.org/about/register to enroll.

Illness Reminders

Cold and Flu Season is here! Please do not send your student to school if they have a fever of 100 or above, vomiting and/or diarrhea, or if they feel too sick with a sore throat, cough, runny nose, etc. to participate in class. Keep them home, give them time to rest and do not send them back to school until they are 24 hours free of vomiting, fever, and diarrhea without the use of medication AND feeling well enough to participate in the school day. [Please read this illness letter](#) that was sent home earlier this year about the common illnesses we're seeing this time of year. IDPH and CDC have asked us to remind you to make sure you and your students are up to date on your flu and COVID immunizations (and RSV vaccine for infants or older adults).

If your child will not be attending school due to illness or any other reason, please report it to the school absence line at any time and leave a message stating the reason for the absence. We want everyone to be healthy for the last week of school before break and want to help everyone have a healthy holiday season.

Absences

Please call the office attendance number (847-318-4215) if/when students miss class for any reason. Also, please be sure to contact the school nurse, Rachel Ossmo (847- 318-4219) with any illness/medical information related to the absence. If a student is leaving for an appointment, it is recommended to send a note with your child to provide to his/her classroom teacher. Students should come down to the office at their designated time; the front office will not be calling into classrooms for your student.

Please remember that you can check your child's attendance through the PowerSchool Parent Portal..

NOTE: As a reminder and per the D64 [Student-Parent Handbook](#), absences due to vacations, attendance at a cultural or sporting event, or participation in a team sport, acting or fine arts performance are considered unexcused. Work will be given upon return for students leaving the country or immediate District area when your children RETURN to school. It must be completed at home under a parent's supervision. Teachers are not expected to provide homework or assignments in advance for students who will be absent for an extended period of time for a family vacation and other activities.

Portal Access

All Lincoln students and parents are provided access to schedules via the PowerSchool parent and student portals. The PowerSchool Parent Portal allows you access to your student's academic information, including student schedules and grades. To gain access to the Parent Portal, please go to ps.d64.org. Student-Parent Handbook

Lincoln Middle School, along with all District 64 schools, operates in accordance to policies and practices that have been reviewed and implemented by the District 64 Board of Education.
