

Lincoln Families,

As we head into spring break, we want to provide you with the latest updates and information from Lincoln Middle School and District 64. Again, thank you for your continued support this year. We hope that the next week allows you to unwind and to take a deep breath before we make our final push to the end of the year.

On behalf of the Lincoln staff - have a safe, restful, and enjoyable spring break!

Dave

- W 4/3: Early Dismissal 2:10
- H 4/4: BVB vs Holmes 3:30 (home); Quarter 3 Ends
- F 4/5: Quarter 4 Begins

Career Day - Volunteers Needed!

Lincoln will host a Career Day for 8th graders on Wednesday, May 15! The purpose of Career Day is to expose students to a variety of careers in order to jumpstart their thinking about the future. We are currently recruiting parent volunteers to speak to homerooms (30 students) for 15 minutes. Parents will rotate to 4-5 homerooms. In addition to sharing information about your career, each session will include a few minutes for student questions. Career Day activities will occur between 8:40-11:20 a.m. If you, a family member, or friend is interested in volunteering to speak about a career, please complete this [form](#) by Friday, April 12.

Solar Eclipse - April 8 (Permission Required)

On Monday, April 8, 2024 all of North America will experience an eclipse of the sun. A solar eclipse occurs when the moon blocks any part of the sun. This is the first time since 2017 a solar eclipse will be visible on a path across the entire continental United States.

The eclipse in Park Ridge will be a deep partial (with magnitude 93.5%) beginning at 12:51 p.m and in mid-eclipse at 2:07 p.m. To participate in this event, our school has organized a structured, supervised viewing opportunity for students.

A stand-alone communication will be sent out on Tuesday, April 2nd that includes the required parent permission form that we will need from all students participating in the event. It is mandatory that we have this form completed in order for students to participate in the event. Students will also be receiving hard-copy permission slips to bring home on that day.

Time Is Running Out!! - Registration for 2024-25

Registration for the upcoming school year is currently open and needs to be completed by March 22, 2024. We cannot stress to you enough the importance of completing this necessary process as it can impact the ability of our school to plan, schedule and, most importantly, hire teachers and staff for the upcoming school year. More specifically, this can impact student schedules, teacher assignments, and teaching locations in the building.

There is an early bird discount on student fees for families registering by 12:00 on March 18. To take advantage of the fee discount you will need to have the registration forms filled out and submitted by Monday, March 18th. This allows our staff time to verify documents and send out invoices so you can pay them by noon on Friday, March 22nd.

Go to d64.org/about/register to enroll.

LMS PTO Events

Parent & Staff Bingo Night 4/10

Building on last year's successful trivia night, the Lincoln PTO is sponsoring another fun-filled event for parents and staff. Please join us on Wednesday, April 10th for bingo at the Firewater Saloon in Edison Park. More information about tickets can be found [here](#).

Student Social Media Use

Recently we have had some social media accounts brought to our attention that have posted some inappropriate, negative, and disrespectful content. While this often happens outside of our school day and does not always allow the ability to identify the individual who created these accounts, we do take these matters seriously and look to ensure that all of our students feel safe and welcome at Lincoln.

Please partner with us in addressing this current trend by communicating with your child about responsible social media use and/or monitoring the accounts your child

is allowed to access. Your attention to this matter is greatly appreciated and helps make our school community a positive environment for our students.

District 207 STEM Summer Camp for Middle School!

Start your summer off with some fun by joining us for a week of building, creating, designing and investigating through engaging activities focused around science, engineering and technology! This camp is open to all students residing within Maine Township who will be entering grades 6, 7, and 8 in the fall.

Dates: Monday through Thursday June 10 - 13, 2024

Times: 9:00 AM - 12:00 PM

Location: Maine West High School

Cost: \$50, which includes all materials for the camp

For more details and registration information, please click [HERE](#).

Registration will be open March 22 - May 3 unless filled before then. Space is limited to 60 participants.

Update 2024-25 Calendar

The D64 School Board recently approved the school calendar for the 2024-25 school year. View the calendar [here](#).

8th Grade Promotion - Save the Date

A promotion ceremony for our 8th grade students has been set for Tuesday, June 4, 2024 at Maine East High School. Details will still need to be discussed and finalized. For now, save the date.

After-School Clubs (TLCs) and Activities

We have after-school clubs and activities available for students on a drop-in basis. We want all of our students to get involved, so take a look at the teen leisure club offerings and encourage your son or daughter to join in on the fun. New clubs and activities are posted below. .

[Third Trimester TLCs](#)

Illness Reminders

Cold and Flu Season is here! Please do not send your student to school if they have a fever of 100 or above, vomiting and/or diarrhea, or if they feel too sick with a sore throat, cough, runny nose, etc. to participate in class. Keep them home, give them time to rest and do not send them back to school until they are 24 hours free of vomiting, fever, and diarrhea without the use of medication AND feeling well enough to participate in the school day. [Please read this illness letter](#) that was sent

home earlier this year about the common illnesses we're seeing this time of year. IDPH and CDC have asked us to remind you to make sure you and your students are up to date on your flu and COVID immunizations (and RSV vaccine for infants or older adults).

If your child will not be attending school due to illness or any other reason, please report it to the school absence line at any time and leave a message stating the reason for the absence. We want everyone to be healthy for the last week of school before break and want to help everyone have a healthy holiday season.

Absences

Please call the office attendance number (847-318-4215) if/when students miss class for any reason. Also, please be sure to contact the school nurse, Rachel Ossmo (847- 318-4219) with any illness/medical information related to the absence. If a student is leaving for an appointment, it is recommended to send a note with your child to provide to his/her classroom teacher. Students should come down to the office at their designated time; the front office will not be calling into classrooms for your student.

Please remember that you can check your child's attendance through the PowerSchool Parent Portal..

NOTE: As a reminder and per the D64 [Student-Parent Handbook](#), absences due to vacations, attendance at a cultural or sporting event, or participation in a team sport, acting or fine arts performance are considered unexcused. Work will be given upon return for students leaving the country or immediate District area when your children RETURN to school. It must be completed at home under a parent's supervision. Teachers are not expected to provide homework or assignments in advance for students who will be absent for an extended period of time for a family vacation and other activities.

Portal Access

All Lincoln students and parents are provided access to schedules via the PowerSchool parent and student portals. The PowerSchool Parent Portal allows you access to your student's academic information, including student schedules and grades. To gain access to the Parent Portal, please go to ps.d64.org. If you have any questions on how to login, please contact the Lincoln Main Office for assistance (847) 318-4215.

Schoology Parent Access

Schoology will be utilized by students to help navigate their remote learning day and will include links to students' virtual class meetings. Parents can also access

students' classes and monitor student assignments. To assist, we have created [THIS VIDEO](#) to assist in navigating this new learning platform.

Not connected to Schoology yet? [Follow the directions here!](#)

School Hours

School hours for student classes are from 8:05 a.m.- 3:00 p.m. Please note that each Wednesday, students are dismissed at 2:10 p.m. for staff professional development activities.

Doors to the school open for students each morning at 7:58 a.m. Homeroom begins at 8:05 a.m.

Office Hours

School office hours are from 7:20 a.m. - 4:00 p.m. Remember that our student absence line (847) 318-4215 is available 24 hours a day. Please let the Lincoln Office know as soon as possible if your child will not be in attendance. Please do not rely on e-mail notification for reporting absences as it may not be seen until later in the day.

Lincoln Website and Calendar

The Lincoln website and Lincoln school calendar are valuable resources to keep informed of important updates and events throughout the year. The calendar is kept up to date throughout the school year, and new information is posted regularly. We hope that these tools are helpful resources for keeping you and your student organized and informed as we progress through the year.

Calendars for 2023-2024 can be viewed [HERE](#).

Student-Parent Handbook

Lincoln Middle School, along with all District 64 schools, operates in accordance to policies and practices that have been reviewed and implemented by the District 64 Board of Education. Please review the [D64 Student-Parent Handbook](#) prior to the start of the school year to familiarize yourself with the information contained in it. We want to work in partnership with you to ensure a positive school year, and having an understanding of this information will help to promote a successful school year. This handbook is intended as a convenience for District 64 families and staff by summarizing selected information about procedures, services and programs. It also provides a quick reference for contact information and District timelines.
