### **IMPORTANT: Drop-off/Pick-up Locations & Traffic Reminders**

Parents, we would really like your help with this. Student safety is our primary concern. In order for students to arrive safely in the morning, please review the linked document outlining our drop-off/pick-up procedures at Lincoln. Students are to cross only at designated crosswalks. Please drop your student off at an area that does not require them to cross the street. The streets around Lincoln are busy and are often congested before and after school. Again, your attention to the procedures outlined in the [linked document](#) is much appreciated and goes a long way to keep our students safe. The Park Ridge Police Department may be on site to help enforce these procedures in the weeks ahead.

NOTE: Visitor parking is located on Crescent Avenue near the main entrance (Door #3).

### **Parent Curriculum Night - September 14**

Lincoln's Parent Curriculum Night will be held Wednesday, September 14h from 6:30-8:00. Parents will have the opportunity to meet with teachers and hear about the structures, curriculum, and technology used at Lincoln. The evening's main program will be hosted by your child's core team and emphasizes the core curriculum at each grade level. In addition, this event also allows parents the choice to attend optional presentations and introductions for elective and program-specific classes throughout the evening.

While there will be more specific info coming out next week, we want to make sure that you can attend. Look forward to seeing you soon.

### **Maine South Football Games**

Maine South football season is under way and home games are attended by many of our students and families.. Please see the letter from the Maine South administration outlining the expectations for our students in attendance at the games. Please review these with your student as we head into the season. Students need to attend with an adult and maintain appropriate behavior in order to attend. Go Hawks!

### **Drop-off of Student Items/Lunches**

If students forget something at home or are being brought a lunch, items may be dropped off in the foyer of the Lincoln Office. We instruct students to check in with the office during passing periods to pick up these items. We will not interrupt class

to notify students of items/lunches delivered to the office.

### **Activity Bus**

Lincoln activity buses run at 4:00 PM each school day (except Wednesdays) to provide transportation for students involved in after-school activities and extracurriculars. These activities include sports, clubs, after-school tutorial programs, etc. Parents are expected to provide transportation if needed for any other reason. These buses will start running on Tuesday, September 5th.

NOTE: Often, these buses will not run the day prior to an extended break or school vacation.

### **Choirs Beginning Soon!**

Does your student love to sing and want to join a choir here at Lincoln? Lincoln has THREE choirs to get involved in.

- Show Choir is singing and dancing for ALL grade levels on Mondays from 3-4 in Winslow Hall
- 6th Grade Chorus is singing only for 6th graders from 3-4 on Fridays
- 7/8 Singers is singing only for 7th and 8th graders from 3-4 on Thursdays

To join, remind your student to attend after school! All choirs will begin after Labor Day. The commitment includes 2 after school concerts, field trips around the community, and a contest performance at Six Flags in May. If you have any questions, don't hesitate to email ([alatragna@d64.org](mailto:alatragna@d64.org)) or have your student visit Ms. LaTragna in 319!
